- \* We use high heat cleaning cycles on all laundered items. Items that can not be washed on high-heat settings are spot-treated and run through a high-heat dryer cycle and/or stored in plastic for 72hrs between rentals to prevent the spread of viruses, allergens and parasites.
- \* We carefully inspect our rentals for damage and bring extra supplies during the install process. Batteries are changed frequently to ensure decorative lighting will stay running through the night. Our tents were hand crafted and sanded. We bring boot covers to every delivery to prevent floor damage.

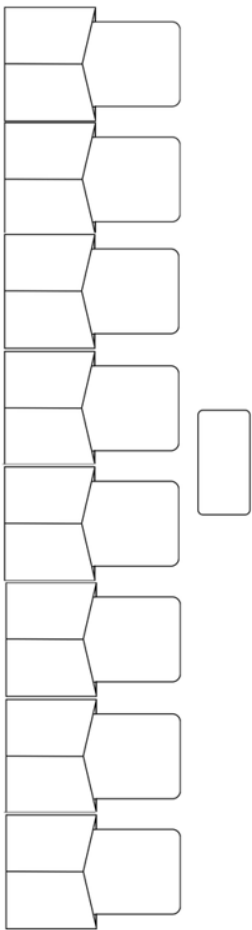

## Before you book

We recommend you measure your space. Each bed is 52"x 72". The activity table is 4' x 2'. To help, we have provided a few example layouts for 4 and 8 beds. If you have questions, please feel free to call or text.
